Coulson, Robert
Family Mediation
second edition 1996
ISBN 978-0-7879-0312-1
Publisher: Pfeiffer & Co.
192 Seiten
Preis auf Anfrage
Bestellnummer: 052

Details the rapidly growing field of dispute resolution This nuts-and-bolts guide offers a blueprint for developing the skills you need to master the often complex and emotionally charged process of family mediation. In a lively and entertaining style, Robert Coulson, former president of the American Arbitration Association and an internationally recognized expert in dispute resolution, presents exactly what training, marketing, and experience are needed to compete successfully in this rapidly growing field. The family mediation process is revealed, from the first step of persuading parties to mediate through the last details of nailing down a settlement. Current information is provided on many legal issues, including: marriage and divorce child support alimony custody visitation.

Friedman, Gary J.; Himmelstein, Jack
Challenging Conflict
2008
ISBN 978-1-60442-052-4
American Bar Association
225 Seiten
Preis auf Anfrage
Bestellnummer: 056

This revolutionary book shows how through mediation parties can escape the trap of conflict rather than remain ensnared within its grasp at enormous cost to themselves and others. The authors demonstrate how mediators, and lawyers, can support parties to work together effectively in ways that deeply respect their humanity. Through the telling of ten riveting stories of actual commercial mediations, the principles and methodologies of the understanding-based approach come alive. In so "challenging conflict," the authors also challenge the conflict resolution field to reach for more.

Haynes, John M.
The Fundamentals of Family Mediation
Revised edition 1996
ISBN 978-0-7914-2036-2
Suny Press
245 Seiten
Preis auf Anfrage
Bestellnummer: 057

Although there are a number of mediation books, none provide a step-by-step description of each stage in the process. This book, designed as a mediator's handbook, can be used by the practicing mediator to solve almost any problem. It can also be used by trainers to provide more basic information to trainee mediators, thus allowing them more time for practicing the skill in training. The book will also be of interest to students and practitioners of family therapy, to social workers, and counselors.

Irving, Howard H.; Benjamin, Michael
Family Mediation - Contemporary Issues
1995
ISBN 978-0-8039-7127-1
SAGE Publications
488 Seiten
Preis auf Anfrage
Bestellnummer: 058

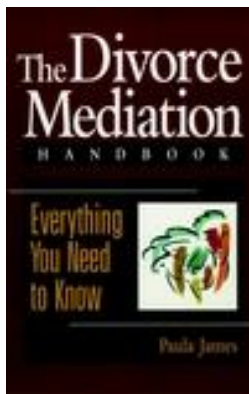

As divorce rates rise, family mediation represents an alternative way of making settlements without involving an already overburdened judicial system. This book presents a discussion of the current North American trends in the burgeoning field of family mediation by featuring both a review of the literature and a model for family mediation practice.

The practice model presented here, Therapeutic Family Mediation, stresses an ecological perspective, and considers the feminist critique of the mediation process. The authors also address mediation's role in the important issues of joint custody, ethnicity, and child protection. Future directions in family mediation are examined in the final part.

Irving, Howard H.; Benjamin, Michael
Therapeutic Family Mediation
2002
ISBN 978-0-7619-2313-8
SAGE Publications
424 Seiten
Preis auf Anfrage
Bestellnummer: 059

Therapeutic Family Mediation is a practice-based text grounded in a therapeutic family mediation (TFM) model created by the authors. This is the first comprehensive treatment of the model, complete with clinical examples and practice strategies. The authors include a detailed review of the model's five stages, accompanied by a discussion of theoretical underpinnings, practice techniques, the mediation of parenting and financial plans, the importance of cultural diversity, and research trends based on a thorough review of the literature. Contemporary issues associated with family mediation in the 21st century are employed to illustrate the model in action with a full-length case presentation.

A Friendlier and Less Expensive Divorce

Clients arriving in your office are usually confused about what mediation means, their legal rights, and how it's all going to be sorted out. You spend a good deal of your time just trying to educate them enough to proceed.

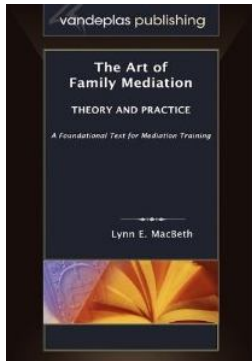

The Divorce Mediation Handbook does much of this work for you. It explains the mediation procedure and reassures your clients that they can indeed work out their divorce in a reasonable and civil manner in mediation. It also gives them a great deal of information about

- * how children respond to divorce
- * how property issues are addressed
- * how future support may be considered
- * how to prepare for mediation

Paula James, who has mediated over 600 divorces, offers the divorcing couple an encouraging and highly informative book to prepare them for your first session and the work ahead.

MacBeth, Lynn E.
The Art of Family Mediation: Theory and practice
2010
ISBN 978-1-60042-104-4
Vandeplas Publishing
412 Seiten
Preis auf Anfrage
Bestellnummer: 062

The Art of Family Mediation is a foundational text for the mediation classroom at all levels-- graduate, undergraduate, and post-graduate. Expert mediator and trainer Lynn MacBeth explains family mediation theory and technique in a clear and compelling text that blends an overview of the research and literature with her unique insights and experience in the field. To understand the magic of mediation is to understand the mysteries of family dynamics, human communication, emotional processes, and conflict management and intervention. The therapeutic aspects of mediation, together with the legal and ethical fundamentals necessary to practicing family mediation are set forth concisely in one comprehensive source, with consideration given to the laws and practices of multiple U.S. states. For students, this book provides an understanding of the evolution of thought, practices, and legislation affecting family mediation. For instructors, an organized approach to the subject with case scenarios, materials, teaching tips, and questions for discussion provides one source for an established course that has endured and evolved over a decade. Professor MacBeth designed and teaches The Art of Mediation at Duquesne Law School in Pittsburgh, Pennsylvania. She is a pioneer in the mediation movement, having first received her training from the adherents of O.J. Coogler, the father of family mediation in America. She is a graduate of the University of Pittsburgh School of Law and Chatham University in Pittsburgh, Pennsylvania. She has been a mediator, trainer, and attorney for over twenty-five years.

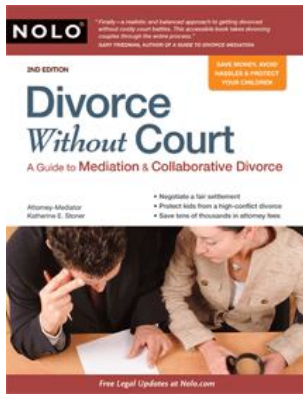

Roberts, Marian
Mediation in Family Disputes
Third Edition 2008
ISBN 978-0-7546-4619-8
Ashgate
292 Seiten
Preis auf Anfrage
Bestellnummer: 063

This is the authoritative textbook on family mediation. As well as mediators, this work will be indispensable for practitioners and scholars across a wide range of fields, including social work and law. It draws on a wide cross-disciplinary theoretical literature and on the author's extensive and continuing practice experience. It encompasses developments in policy, research and practice in the UK and beyond. Roberts presents mediation as an aid to joint decision-making in the context of a range of family disputes, notably those involving children. Mediation is seen as a process of intervention distinct from legal, social work and therapeutic practice, drawing on a distinctive body of knowledge across disciplinary fields including anthropology, psychology and negotiation theory. Incorporating empirical evidence, the book emphasizes the value of mediation in mitigating the harmful effects of family breakdown and conflict. First published in 1988 as a pioneering work, this third edition has been fully updated to incorporate legal and policy developments in the UK and in Europe, new sociological and philosophical perspectives on respect, justice and conflict, and international research and practice innovations.

Stoner, Katherine
Divorce Without Court
Second Edition 2009
ISBN 978-1-4133-1032-0
Nolo
400 Seiten
Preis auf Anfrage
Bestellnummer: 065

Can you really have a civilized divorce? Ending a marriage is always difficult, but it need not be defined by financial or emotional conflict. Avoid huge legal bills and jockeying lawyers while protecting your kids -- turn to Divorce Without Court for help.

The book guides you through a negotiated divorce, using divorce mediation, or a new approach called "collaborative divorce." Encouraging and straightforward, Divorce Without Court explains:

how mediation works

how collaborative divorce works

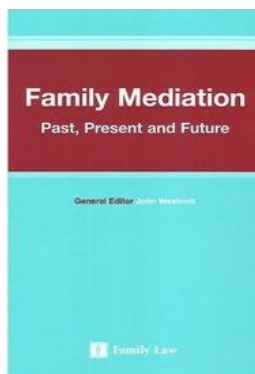

how to use either to end a marriage

how to maximize opportunities for settlement

how to get an agreement in writing

how to find and use advisors

Divorce Without Court provides the latest resources, contact information for state offices, national and regional organizations, and clear examples of what you can expect. The 2nd edition has been revised to reflect the most current trends in mediation, collaborative practice, and divorce law.

Wescott, John
Family Mediation: Past, Present and Future
2004
ISBN 978-0-85308-948-3
Jordan Publishing
120 Seiten
Preis auf Anfrage
Bestellnummer: 066

Examines the origins of family mediation from its beginnings as an innovative local service in Bristol in the 1970s through to its establishment as an integral part of the family justice system.

The distinguished team of contributors recount the challenges faced by those who established the first mediation service and examine the way the family justice system has adapted over the years to embrace the concept of mediation.

The work examines mediation from a number of different perspectives including the viewpoint of the mediators, the judiciary, the legal profession, as well as looking at other issues such as funding, and the historical role and development of mediation. The work concludes with an examination of the present issues facing family mediation and looks to the future of family mediation in the UK.
